MARCH 2015

CELEBRATING BLACK HISTORY MONTH

Movie/Comedy Committee partnered with the Diversity Committee to show the movie Selma in honor of Black History Month this February. This movie brought the viewers back in time to 1965 when Dr. Martin Luther King Jr. led a dangerous three month campaign for equal voting rights. The movie brings us through the hardships, struggles, and victories King and his family saw as he led the legendary march from Selma to Montgomery. The heart-wrenching movie ended with President Johnson signing the Voting Rights Act of 1965, one of the most significant victories of the Civil Rights Movement. The week following the showing, Diversity Committee held an event called "How does Selma relate to me?" where students could discuss their feelings and reactions to the movie.

GOOD VIBES

Just before spring break, the band Brightside performed at the Hill. They brought a very light and warm atmosphere with their reggae style music. They are from Venice beach in California and joked that they are not used to the snowy and cold weather at Stonehill. Their fun attitude really helped welcome spring to the Stonehill campus.

50 DAYS UNTIL GRADUATION

On Saturday, March 28th, the senior class enjoyed their 50 Days Celebration. The senior events committee impressively converted the dining commons into a Hollywood themed event - including cabanas, a dance floor, a candy bar, and lights! The event was a huge success and everyone had a great time. Thank you to all who came!

While downsizing the size of the class committee, SGA's student Senate is confident that this streamlined model will make SGA much more efficient and effective! To celebrate, SGA's Executive Board hosted a launch party consisting of fantastic raffle prizes, opportunities to "Pie-your-president", breakfast sandwiches provided by the Hill, and specialty cocktails on serve at Brother Mikes for those students who were of legal age. The event had an excellent turnout! We are excited to have everyone supportive of our new structure. Be sure to vote for your new diversity, programming and class representatives this week!
